

## NON-RESISTANCE PLEA IS VOICED BY REV. GRABLE

Labor Spent On Monuments  
Of Folly Would Make  
World Rich.

SPEAKS AT SALEM  
ROTARY LUNCHEON

Message From Harding Read  
As Rotary Anniversary  
Is Observed.

How rich the world might be now if the people centuries ago had acted on the principle of non-resistance, or a new type of resistance, instead of building monuments of folly.

Rev. M. J. Grable, speaking before the Rotary club Tuesday afternoon at the Elks club, asked the members to give thought to his possibility. "Suppose," he said, "the labor expended on the monuments of folly—the great walls around China, great armies, the pyramids, etc.—had been spent in a productive way."

Mr. Grable went back into history thousands of years ago to point out the lack of progress because labor and money were diverted to destructive measures and to emphasize the relationship of the principle of non-resistance, or a new form of resistance, as he was pleased to term it.

Every age had its prophets, he said, and the prophets of this age must continue the work of creating creeds for the people. If man will get a vision, and realize that the redemption of humanity rests on him, the prophets will get their reward with the opportunity of declaring these truths, Mr. Grable said.

Observe Anniversary  
W. H. Matthews was in charge of the day's program, which was devoted to observance of the 18th anniversary of Rotary International. C. M. Rohrbach read a message from F. H. Gillett of Massachusetts, speaker of the house of representatives who said:

"As the sick man, discouraged, becomes the easy prey of the quack, so the citizen, discontented, becomes the ready mark of the demagogue. Don't let your distrust lead you to blindly follow the first man who promises a panacea."

A message from President Harding read by Walter L. Strain, said in part, "That citizen who regards himself as a model of civic propriety because his present conduct is impeccable, but who does not co-operate with the civil authorities or exert his influence in behalf of the best possible administration of the laws greatly overrates his usefulness as a citizen."

An amendment to the bylaws adopted at this meeting, provides for the annual election of officers for the first Tuesday in April, instead of the last Tuesday.

Next week the program will be in charge of R. S. McCulloch.

## GARAGE BUILDING MUST BE REMOVED

Service Director Informs  
Council His Order  
Was Disregarded.

Service Director John Bristol was authorized by city council Tuesday night to formally notify the Elton Motor company, operators of a garage on McKinley ave., opposite the new Masonic temple, to remove immediately the small building erected by them along the curbing in front of their building.

It was explained that the building had been placed there for the purpose of providing shelter for attendants at the gasoline station conducted by the company.

Director Bristol notified council that he had refused the Elton company permission to erect the building, but that they had disregarded his advice. He requested that action be taken by the city solons with regard to having the shelter house removed among the council members that I would be establishing a bad precedent to allow the building to remain there, inasmuch as every merchant in the city would have the same privilege in erecting small buildings along the city streets.

Director Bristol was authorized to notify the Elton company of the decision of council and ask that the building be taken away.

## Mail Truck Struck, Driver Not Injured

D. M. Howell, 29 Ellsworth ave., narrowly escaped injury shortly after 6 p. m. Tuesday when the U. S. mail truck he was driving was badly damaged in a collision with a Y. & O. R. interurban car, near Depot and Otis sts.

Howell, it was reported, had just left the Pennsylvania station with a load of mail, and it is believed that his vision was blocked by the Deming company building at the corner of Etna and Depot sts.

The front end of the mail truck was badly damaged but Howell miraculously escaped injury.

## SALARY RAISE BRINGS FIRST DIVIDED VOTE

Councilman Carson Opposes  
Increase For City's  
Clerical Help.

An increase of approximately \$10 per month for clerical help in the office of the service, safety and water works departments was authorized Tuesday night by city council meeting in regular session.

The authorization for the increase brought the first dissenting vote cast against any ordinance during the tenure of the present councilmanic body, when Councilman Lester Carson voted against the measure.

Councilman Carson explained his opposition to the measure was not because of the fact that he did not think the increase was warranted, but because he was thoughtful of the opinion of the general public regarding salary increases for city workers at this time.

The measure provides that the clerk of the safety department shall receive a salary of \$10 monthly; the clerk of the service department \$5 monthly and the assistant clerk of the waterworks department \$4 monthly, making a total monthly salary of \$85 as all the clerkships are handled by one clerk.

The rules were suspended to allow the passage of the measure Tuesday night.

## SCHWAB DECLARES SENTIMENT URGES HANDS OFF POLICY

People Oppose Mingling In  
Europe's Politics, He  
Tells London.

London, Feb. 21.—Popular sentiment in the United States is opposed to mingling in European political affairs, it was declared here today by Charles A. Schwab, one of America's greatest manufacturing magnates and a close student of American opinion.

Schwab said that, while Americans were willing to contribute money to relieve suffering abroad, they were disposed to let European nations work out their own problems.

"I believe personally that the interests of the world would be promoted by the United States taking an active interest in the solution of Europe's difficulties," said Schwab. "But popular sentiment, especially in the middle west, is not in favor of participating in European politics."

Schwab said that Europe had a misconception of America's wealth. "We who are supposed to be so wealthy have never been so poor. They talk about our having all the gold. I do not see it. Why, I could double my income by retiring and setting my income in tax exempt securities. Taxation is the cause of much unemployment."

Schwab said the American tariff was not affecting imports. Touching upon the Anglo-American debt settlement, he said it was the "greatest step ever taken for binding British and American relations."

Asked about the proposed American ship subsidy which is now before congress, Schwab said he favored it. "It will not injure England," said the steel magnate.

## ELECTRIC FURNACE CASE CONTINUED

Lisbon, Feb. 21.—Attorneys representing stockholders of the Electric Furnace Co., of Salem appeared in court this morning to answer to the petition filed by the John T. Jarman Printing Co., a minority stockholder, who was asking for the appointment of a receiver.

The arguments between the attorney representing Jarman and counsel representing other stockholders were quite heated and the court at different times interrupted the arguments to ask questions about the company's affairs.

Following the arguments which lasted about an hour, Judge Moore ordered a continuance of the case to allow the stockholders to get together.

## Battles Of Future Will Be Fought At Night He Asserts

Cincinnati, Feb. 21.—"Decisive battles of future wars will be fought at night," Brig. Gen. H. A. Drum, of New York, former chief of staff of the first army, told members of the Officers' association here last night.

"In the world war the master strokes were obtained only through surprise," he said. "Airplanes prevent the enemy being taken unawares in the daytime, so successful drives will be launched under cover of darkness."

Miss Laura Stratton, Winona, has gone to Norwich, Ontario, Canada, to visit her sister, Mrs. Francis Pollard.

WANTED—GIRLS TO LEARN DECORATING. GOOD PAY WHILE LEARNING. EXPERIENCED DECORATORS EARN HIGH WAGES. ALSO GOLD STAMPERS WANTED. APPLY MR. SMITH, DECORATING MGR., THE LIMOGES CHINA CO., SEBRING, OHIO.

## STREET PAVING PLANS MAPPED OUT BY COUNCIL

Discussion Follows Visit  
Of Delegation From  
Sharp Street.

NEED PAVING FOR  
FIRE PROTECTION

Prepare Estimates Of Cost  
For Washington, Sharp  
And Lincoln Ave.

Early and definite action on proposed improvements to a number of city streets was proposed Tuesday night by city council following a visit of a delegation of Sharp st residents with the request that some action be taken with regard to improving that street.

It was pointed out by the delegation that Sharp st is in an almost impassable condition and that the residents there are practically without any fire protection, inasmuch as it would be almost impossible for a fire truck to be driven over the street.

Mud precludes any possibility of machines being driven through the street, according to spokesmen for the Sharp st residents, and they declared that they are unable to get medical help in time of sickness due to the condition of the thoroughfare at times.

It was also pointed out that there are no sidewalks on this street and teachers at the Prospect st school building are compelled to walk through deep mud in reporting for duty, and that they are unable to secure taxicabs or other machines to take them to the building due to the impassable condition of the road.

The delegation reported that to late all but four residents of the street had signed the petition asking council to improve the street.

Outing Street Program  
The matter was referred to the streets, alleys and sidewalks committee for action.

An informal discussion on the city's program of street improvements followed the visit of the Sharp st delegation, during which the paving of Washington st and resurfacing of other improvements for Lincoln ave were thoroughly discussed.

It was the opinion of council that they should map out a tentative program of improvements with regard to establishing proper fire protection for all sections of the city. It was pointed out that under present conditions a number of city streets, it would be impossible for fire trucks to answer alarms in every part of the city.

City Engineer French was authorized to prepare estimates for the paving of Washington st, Sharp st and the resurfacing of Lincoln ave, with either brick or asphalt.

The matter of resurfacing of Lincoln ave came in for a lengthy discussion. The question of whether

## PLAN REBUILDING OF SLUDGE BEDS

Cost Estimated At \$21,205;  
Council Prepares To  
Extend Beds.

Legislation for the extension and rebuilding of the sludge beds at the city disposal plant was started Tuesday night by city council, when City Solicitor L. B. Harris was authorized to prepare all necessary legislation for the work.

An estimate prepared by City Engineer French in 1921 totalling \$21,205.10 was presented to the city solons and the need of immediate action was stressed.

The estimate prepared by Engineer French includes all work necessary in the rebuilding and extension of the beds.

The matter was referred to Solicitor Harris and Service Director Bristol with the recommendation that they also investigate the financial condition of the city in order that it may be determined to what extent council can go in authorizing the improvements.

## Liquor Case Costs Stir Much Comment

Cost bills in the liquor cases against George and Dave Southall, of East Liverpool are causing some considerable comment in the offices of the court house. Both men, who live side by side, were arrested at the same time and taken before Mayor Ferren. When they were paroled Tuesday their cost bills were found to be \$59.85 each as assessed by the mayor. No one can explain why the costs were so high in each case.

## Redistricting Would Not Affect County

Under provisions of two congressional redistricting bills introduced in the Ohio senate, Columbiana county will be placed in the 15th district, but there would be no change in the makeup of the district. Other counties in the 15th would be Jefferson, Harrison, Belmont and Carroll, the same as at present in the 18th district.

## PRISON DOORS OPEN, FAITH IS REWARDED

Wife, Refusing To Believe  
Husband Is Murderer,  
Is Happy Again.

Cincinnati, Feb. 21.—"He's free!" After eight months of untiring and unwavering devotion, Mrs. Leroy McKinney, Cincinnati, last night sobbed happily when a brief message brought tidings that she had awaited confidentially while the rest of the world refused to believe.

Her husband, convicted of the murder of Patrolman Emory McCreight of Wilmington, O., is to leave the Ohio penitentiary at Columbus as soon as Gov. Donahey can sign a pardon. The real slayer of the officer, Louis Vandervoort, son of a wealthy Clinton county farmer, has confessed that he fired the fatal shot during an attempted holdup Feb. 14, 1922, rivaling the exploits of Deadwood Dick. McKinney, 29 years old, was sentenced in the Clinton common pleas court at Wilmington to pass the remainder of his life in the penitentiary, but his wife, young and pretty, refused to believe.

Her husband was far from the type of young man from which bandits are recruited. He was a student at the University of Chicago for two years and in court his appearance was the opposite of the ordinary criminal and

## ENEMIES OF SHIP SUBSIDY RESUME FILIBUSTER TODAY

"Battalion Of Death" Sees  
Victory After Winning  
First Point.

Washington, Feb. 21.—Enemies of the administration ship subsidy bill, predicting ultimate victory, today resumed their filibuster against its enactment in the senate after having drawn first blood in the opening battle.

The anti-subsidy "battalion of death" composed of Republican insurgents and Democrats, plunged into the third day of their filibuster with a renewed declaration they would "talk the bill to death." In the opening round, the insurgents scored by forcing the administration leaders to abandon their plan for holding a continuous all-night session. Just before midnight, Sen. Jones, Republican, Washington, proposed a temporary truce to allow the irregular senators a little sleep.

Under senate rules, Sen. Jim Reed, Democrat of Missouri, who held the floor when the truce came, was entitled to resume his speech today. Reed announced he would again talk on the "international situation."

There was a possibility, however, the administration forces would reach an agreement during the day to vote on the Ladd motion substituting the "filled milk" bill for the subsidy. If the subsidy's opponents win, the filibuster would end.

Administration forces, however, were still confident. Sen. Jones declared there would be no deviation in his plan for forcing the senate into a record vote on the subsidy. He still predicted the administration would carry enough votes to write the subsidy on the statute books of the nation.

## FLAMES DESTROY TIPPLE AT MINE

Barn And Crops Destroyed  
In Second Fire Near  
East Palestine.

A loss of several thousand dollars was entailed Tuesday night when fire destroyed the tipple and machinery at the mouth of the Frank Francis coal mine, one and a half miles south of East Palestine. The fire probably was caused by the high tension wire, from which power is received for operating the mine.

Fire of unknown origin destroyed a barn at the William McMillan farm about two miles northwest of East Palestine about 10 p. m. Tuesday.

One hundred and twenty tons of hay, a lot of grain, some machinery, one cow and four head of young cattle were destroyed with the barn.

Mr. McMillan had fed his stock before dark. About 10 o'clock he heard the commotion at the barn and when he got there the flames were leaping through the roof. His loss is partially covered by insurance.

## \$231,000 MISSING, SEEK BANK HEAD

Warren, Mass., Feb. 21.—With \$231,000 in negotiable bonds missing, the Warren National bank was closed today and search was being made for its president of one month, Frank J. Taylor. Mrs. Taylor was questioned by authorities. Norman B. Bean, bank examiner of Washington, and District Examiner H. W. Black were going over the books today. Town funds have been deposited in the bank which was established two years ago.

## CAPTAINS SHAPE PLANS FOR GREAT ATHLETIC DRIVE

First Move Made To Secure  
Members Of Athletic  
Association.

OPEN TO ALL MEN  
AND WOMEN IN CITY

Gym Classes To Be Started  
Thursday Night In  
High School Gym.

The first move to secure members for the Salem Athletic association was made Tuesday when a meeting of representatives from all the shops in the city met in the club rooms of the Bliss company.

Three men are the team captains in their respective plants and they will undertake vigorous work to enroll every man possible during the rest of this week. Other teams will visit through the business section.

It should be kept in mind that both men and women are eligible for membership in the association. The dues have purposely been kept low so that everybody can come in. As soon as this membership work is over the election of permanent officers will take place. A meeting will soon be called for this purpose. The temporary president is C. H. Coburn and Ray F. Carter, executive secretary of Salem Community Service, is temporary secretary.

Start Gym Classes

The high school gymnasium classes are a part of the general program to be undertaken. These classes will be for both men and women. The first class will be held on Thursday evening of this week. The women who wish to enroll are asked to come at 7 o'clock and the men at 8 o'clock.

No men will be allowed in the gymnasium while the women are on the floor and during the men's class the women will be excluded. The men are directed to come to the locker room on the north side of the building and the women to the locker room on the south side. Every member of the class should wear rubber soled shoes.

Attached to the membership tickets now on sale is a coupon listing a number of activities such as gym classes, baseball, volleyball, horse shoes, tennis and other games. When purchasing a ticket the sport one is particularly interested in is to be underlined and the coupon returned to the secretary. In so far as possible a program will be worked out so that the largest possible number may engage in their favorite sport or sports.

Open To All

In speaking of this new work Mr. Carter said: "It cannot be too strongly emphasized that this association is for everybody. When the membership is in election of officers will take place. What is wanted is a strong, democratic and progressive organization in this city to foster competitive sports of every description."

(Continued on second page.)

## PATRIOTIC ORDERS JOIN IN PROGRAM

Anniversaries Of Lincoln  
And Washington Are  
Celebrated.

Commemorating the birthday anniversaries of George Washington and Abraham Lincoln, the Woman's Relief corps and its allied orders, Tresscott post No. 10, G. A. R., Philip Triem camp No. 43, Sons of Veterans, and its auxiliary joined in holding a patriotic meeting Tuesday evening at G. A. R. hall, Broadway. It was well attended.

The program opened with singing "America," and a talk by Benjamin Baird, post commander, on "Lincoln's Characteristics" was unusually good. S. N. Van Blaricom, of the camp, gave a talk along the line of sociability and a whistling solo by Mrs. James Briggs was well received.

A comic playlet, "Mrs. Perkins' Brilliant Idea," by members of the auxiliary afforded fun and brought words of praise for the players. The costumes of the women, which represented the styles of 1832, added much in portraying the play.

A reading by Mrs. Nora McNamara made a hit with her auditors and Mrs. Alice L. Courtney gave a splendid talk on "Washington." The numbers were all much appreciated by the company. The program closed with singing the "Star Spangled Banner."

## Heir To Throne Dies

New York, Feb. 21.—Prince Miguel De Braganza, oldest son of the pretender to the throne of Portugal, died at the home of his father-in-law, William 'Kingslander' Stewart, this morning of double pneumonia.

## LET WOMEN ENFORCE "DRY" LAWS, SHE PLEADS

Washington, Feb. 21.—The most novel plan yet brought forward to enforce prohibition was carried to the White House today by Mrs. Gifford Pinchot, wife of the governor of Pennsylvania, who has embarked upon a campaign to dry up all the cases in the Keystone state.

Mrs. Pinchot proposed to President Harding that he put prohibition enforcement entirely in the hands of women, discarding most of the men sleuths now on the payroll.

## Women's Petitions Termed Absurd By Solicitor Harris

Would You Prolong  
Life? Read This.

Arthur Pond in his book "The Iron Man" states that the average length of life of the indoor sedentary worker is 36 years while the average length of life of the farmer is 55 years. The moral to this is that if you want to live longer and live with more satisfaction to yourself you must play more. Take a membership in the Salem Athletic association.

Request To Abandon Soft  
Drink License Filed  
With Council.

DON'T UNDERSTAND  
LICENSE, HE SAYS

Members Of W.C.T.U. Told  
That Ordinance Has  
Not Been Drafted.

Formal protest against the proposed ordinance to license soft drink establishments in Salem, was lodged with city council Tuesday evening, when a committee from the Women's Christian Temperance Union appeared before the city solons with a copy of the resolution adopted at a meeting of their organization last Tuesday.

Characterizing the proposed measure as an invitation to law breakers and an implication that the prohibition amendment to the constitution cannot be enforced, Miss Laura Schilling, as spokeswoman for the committee, urged council to abandon the proposed ordinance in its present form and substitute one that would include seven clauses adopted by the W. C. T. U.

Suggest Provisions  
Among the clauses urged by the speaker were those compelling every former saloonkeeper to vacate his place of business if it has been formerly used as a saloon; that all former saloonkeepers be prohibited from conducting a soft drink place; that the license project be totally abandoned; that all places formerly occupied by saloons be renovated and remodeled on legitimate business lines and that no business of any kind be allowed to operate behind a screen.

In explaining the resolutions adopted by the temperance organization, Miss Schilling said they were not in any way censuring council either collectively or individually, but that they felt that it was incompatible to attempt to license soft drink establishments.

City Solicitor L. B. Harris in answer to the speaker's remarks, declared that the ordinance in its present form was presented to city council by the district council for the Anti-Saloon League, Atty. J. L. Hilton of Canton.

"That does not change our position on the matter," replied Miss Schilling, "but I am glad to know that is where the ordinance came from, as we had been wondering just where council secured the ordinance," she continued.

"The requests of this resolution are absurd," declared Solicitor Harris and council would be foolish to try to incorporate such things as they ask in any ordinance. We would be

(Continued on third page.)

## VOLIVA FACES JAIL TERM ON LIBEL CHARGE

Chicago, Feb. 21.—Wilbur Glenn Voliva, overseer of Zion City, today faced the possibility of a term in jail. He was found guilty of criminal libel by a grand jury last night. Counsel for Voliva announced he would demand a new trial.

Six months imprisonment or a fine of \$10,000, or both, is the maximum penalty that may be meted out to Voliva.

The criminal libel charge against Voliva was preferred by the Rev. Thomas Nelson, pastor of an independent church in Zion City. He accused Voliva of calling him a "billy goat," a "tomcat" and "a blather-skite," among other things, in a pamphlet which Voliva distributed.

Voliva and Nelson have had a number of controversies. At one time Voliva contended that Nelson was attempting to displace him as overseer.

## Bristol Will Tell Elks About Plans For Water Supply

Service Director John Bristol will explain his proposals for the erection of a 3,000,000 gallon steel reservoir on Highland ave., Wednesday evening before members of Salem lodge of Elks.

The talk will be a feature of the regular meeting which will be held tonight instead of Thursday evening.

Two plans have been presented to city council, one by the water committee of the Salem Chamber of Commerce and the other by Director Bristol and City Engineer French.

The Chamber of Commerce committee's plan was to erect a reinforced concrete reservoir on New Garden st. Both plans have been discussed by city council and the water committee meeting in joint session and they are now awaiting word from Chief Engineer W. H. Dittoe of the state board of health, regarding a meeting with him to discuss the plans.

## Liquor Lid Tilted, Now Lisbon "Drys" Are Investigating

Lisbon, Feb. 21.—Because Noah Carlie, a farmer, hit by an interurban car, claimed that a bottle of whisky, broken by the impact, had been purchased in or near Lisbon, a quiet investigation has been started by local dry men to find out where he purchased the stuff.

Since the raids by local officers and visiting delegations from East Palestine have made this village a desert, there is a strong suspicion that some alleviation for the dryness has seeped into town.

The local officers want no more raids from East Palestine and are keeping the lid on. They want to know if it has been tilted a little.

## Employment Gains, Wages Decreasing Says Labor Board

Washington, Feb. 21.—Employment is increasing and wages are decreasing in the United States, the department of labor announced today from a survey of 1,153 industrial establishments.

This indicates, the department said, a flourishing and healthy condition on the part of industry generally. During January there was an increase of 1.4 per cent in employment and a decrease of 2.8 per cent in total amount of wages paid.

## Measles Epidemic May Close Schools

East Palestine is experiencing a near-epidemic of measles among the children of that city. Four children have died in the last week from this disease, the fourth death having occurred Wednesday. The schools may have to be closed on this account.

## BURNED 8 WEEKS AGO, WOMAN DIES

Mrs. Thomas Green, Sister  
Of Salem Woman, Dies  
In Cleveland.

Salem relatives were informed late Tuesday of the death of Mrs. Thomas Green, 46, which occurred at her home in Cleveland at 2:39 p. m. Tuesday from burns sustained eight weeks ago.

Mrs. Green, former Columbiana woman, was overcome by gas while washing and pulled a boiler of clothes over on her. Her body was badly scalded.

Mrs. Green was formerly Miss Ora Bossert of Columbiana. Before going to Cleveland about a year ago for many reasons. She is survived by her husband and three children, Martha, Arthur and Twila, all at home. Two sisters, Mrs. J. J. Cope of Salem and Mrs. William Boyer of Columbiana, also survive.

The funeral service will be conducted at 4 p. m. Thursday at the Grace Reformed church in Columbiana.

## Two Negroes Hanged For Murdering Youth

Belleville, Ill., Feb. 21.—Two negroes, convicted of murdering Alphonse De Hon, 21, while he was riding with his fiancée on the night of Oct. 19, on a road near East St. Louis, were hanged here today. The murderers were Leroy Hollins, 28 and Ernest Williams, 23. Both embraced Catholicism in preparation for their death.

## Clemency For Young Burglars Is Sought

Att'y. S. W. Crawford, East Liverpool, Wednesday presented letters written by 10 business men, professional men and ministers of that city addressed to Judge Moore asking for clemency and suspension of sentence to William Grim, Ralph Hebron and Edward Stark who were sentenced for burglary recently. The matter is under advisement by the court.

## DEFENSE ON STAND IN OUSTER HEARING

Governor Hears Testimony  
Against Mayor Vogt  
Of Massillon.

Columbus, Feb. 21.—Evidence supporting the charges against Mayor Herbert H. Vogt, Massillon, accused of not properly enforcing dry and anti-gambling laws, was completed late yesterday at the hearing being conducted by Gov. Donahey to determine whether he will oust the mayor from office.

Witnesses for the defense will take the stand today.

Those testifying against the mayor included Laurence Larkin and Guy Steele, former policemen; Rev. Grant Perkins, of the Wesley M. P. church, Massillon; R. H. Kirk, of the Second Presbyterian church; R. J. Pennell and John Powell former investigators for the state prohibition department; Dr. H. P. Wagner, member of the Massillon city council and R. H. Hydock, former service director and acting chief of police at Massillon.

It is expected that Mayor Vogt's hearing will be completed today and that Gov. Donahey will immediately hear the cases of Safety Director Ames, Police Chief Ertle and Lieut. Gillen against whom charges have been filed similar to those lodged against Mayor Vogt.

## EXPLOSION HURLS MAN FROM ENGINE

The crew of a freight engine on the Cleveland and Pittsburgh division, injured Monday night when an explosion occurred on the outskirts of Ravenna, are in the Portage county hospital. A special dispatch from Ravenna says that the engineer was severely scalded.

G. E. Culp of Wellsville, fireman of the locomotive, was thrown 20 feet through the cab window by the force of a bursting boiler flue. Engineer Tom Ryan, also of Wellsville, escaped by jumping from the moving engine.

The engine had reached the cross-over west of Ravenna when the flue let go, shortly after 9 o'clock. Culp was thrown through the window and cut and bruised from the fall. Ryan threw himself from the steps, his arms and legs scalded by escaping steam.

Efforts of the engineer to climb back into the steam-filled cab to bring the engine to a stop failed, but it stopped of its own accord a short distance from where the explosion occurred.

## RUSSIA PROMISES AID TO LITHUANIA

Paris, Feb. 21.—Russia has sent a note to Lithuania, giving definite assurances that the soviet will aid the Lithuanians in their boundary dispute with Poland, according to official information received by the French foreign office this afternoon.

The Russian communication was said to declare that "determination of the Polish-Lithuanian boundary without the consent of both countries would endanger the peace of Europe."

Russia contends in the note that the Riga treaty forbids the League of nations from fixing the Polish-Lithuanian frontiers.

## Mathewson Heads Group Which Buys Boston Nationals

Boston, Feb. 21.—The Boston National league club was sold Tuesday by George Washington Grant to a syndicate headed by Christy Mathewson, former pitcher of the Giants.

Associated with Mathewson are James MacDonough and Emil Fuchs, both of New York. The price paid was not announced. Mr. Grant said that it was stipulated in the deal that Fred Mitchell continue as manager of the Braves.

The first act of the new owners was to organize and they selected Mathewson as president of the club. Mr. Fuchs, who was elected vice president, is a former judge and a former deputy attorney general of New York. It was said that the new owners intended that the board of directors should be composed principally of Boston men.

## WOMEN'S PETITIONS

(Continued from first page.)

foolish, very foolish indeed, were we to attempt to tell every former saloonkeeper that he would have to vacate his place of business. Why such requests are foolish and absurd," he continued.

"The trouble with the W. C. T. U. is that they do not exactly understand the meaning of that word 'license,'" continued Attorney Harris. "Every lawyer, doctor and grocer in the state is compelled to operate under a license. That word license is not such a hugaroo."

"I can understand why lawyers and doctors and such professional men are 'licensed,'" replied Miss Schilling, "but I cannot understand why a license should be given to saloons. My Bible says that we must avoid every appearance of evil and licensing saloons is certainly an appearance of evil."

President B. L. Flick then explained to the committee that council had not passed the ordinance but that they were giving the proposed measure very thorough consideration before they did pass it, ending discussion on the matter.

## THINGS THAT NEVER HAPPEN.

## EXPLOSION WRECKS HOME, TWO INJURED

House South Of Lisbon Is  
Damaged; Man And  
Wife Are Burned.

Lisbon, Feb. 21.—The explosion of a carbide lighting plant at the home of Holland Cassidy, about three miles south of Lisbon on the Black rd., on Monday evening, wrecked the house and burned Mr. Cassidy and his wife about the face and hands.

The house stands in a lonely spot

and it was some time before Mr. Cassidy could reach a doctor. The burns he and his wife received are superficial.

The house is said to be badly wrecked. The carbide plant was located in the cellar of the building and Mr. Cassidy was filling it preparatory to lighting the lights for the evening when the explosion occurred.

Neighbors who learned of the explosion Tuesday came to Lisbon with the news. The Cassidy's are being taken care of at the home of a near neighbor until their house can be repaired.

Sadusky.—In many of the fruit orchards near here, oil stoves were kept burning during the recent zero weather.

## ASK MUNEY COURT FOR E. LIVERPOOL

Columbus, Feb. 21.—Provision for establishing a municipal court for the city of East Liverpool is made in a bill introduced in the house of representatives today by Rep. Cope of Columbiana county.

The judge would be elected for four years and receive a salary of \$3,600 of which the county would pay \$1,800, the city \$1,600. Liverpool township \$150 and St. Clair township \$50. The clerk's salary is fixed at \$1,800 of which the city would pay \$1,500 and the county \$300.

## 6 Records You should have

Here are 6 musical masterpieces of the day by internationally acclaimed artists of the New Hall of Fame. They provide a cultural influence no family should be without. Two selections on each record — the phonograph. At any Brunswick dealer.

15030—Mignon (Knowest Thou the Land)  
Faust (Ballad of the King of Thule), Florence Easton, Soprano

50005—La Bohème (Rodolph's Narrative)  
Manon (Depart, Fair Vision)  
Mario Chamlee, Tenor

50011—La Partida  
Tarantelle  
Giuseppe Danise, Baritone

13056—Extase  
Spanish Dance  
Fishero Trio (Instrumental Trio)

15002—Melodie  
Second Mazurka  
Bronislaw Huberman (Violin Solo)

15021—Ständchen von Shakespeare  
Soirées de Vienne  
Eily Ney (Pianoforte Solo)

## After Every Meal

## WRIGLEY'S

Most of us eat too  
hastily and do not  
chew our food enough.

If people realized  
how much more good  
their food would do  
them if properly  
masticated, and followed up  
with a bit of WRIGLEY'S to  
assist the digestive process,  
we'd have far better health.

Keep teeth clean, breath  
sweet, appetite keen and diges-  
tion good with WRIGLEY'S.

WRIGLEY'S is the perfect gum,  
made of purest materials,  
in modern, sanitary  
factories.

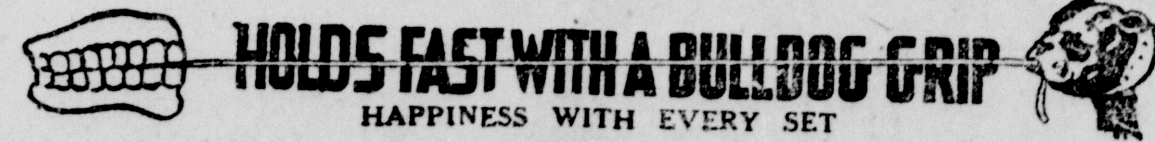

Wax-  
wrapped  
and sealed  
to bring it  
to you  
fresh and  
full-  
flavored

### SOCIETY

**Travelers Club Program**  
An excellent address on "Work of the American Legion" by Rev. H. L. Miller and an earnest and forceful address by Rev. J. P. Harman on "Patriotism" were the principal numbers on the program at a patriotic meeting of the Travelers club Tuesday afternoon at the Chamber of Commerce rooms.

Twenty-eight members and seven guests were present. At roll call patriotic quotations were given.

Mrs. C. W. Leland led the singing and Mrs. E. E. Dyball was the accompanist. These musical numbers were given: Singing of "America," vocal solo, "March of the Men of Harlech," Mrs. Leland; "Star Spangled Banner," song, "Battle Hymn of the Republic."

Mrs. W. H. Matthews exhibited an original copy of a land contract on genuine parchment signed by Lord Fairfax in 1768 for whom George Washington surveyed land. The engraving on it done by a quill pen is the finest specimen of its kind.

**Westminster Guild**  
Miss Eva Grove was elected president of the Westminster guild of the Presbyterian church at a meeting Tuesday evening at the home of Mrs. James Ira Lincoln ave. Her assistant officers are:

Vice president, Miss Tamar Thumm; secretary, Mrs. Fred Hall; treasurer, Mrs. Lee Vincent.

Mrs. Fred Hall gave the fourth chapter of the study book and Mrs. Hannah Meule had the devotionals. A social period and refreshments were enjoyed. The March meeting will be with Mrs. Fred Hall, East High st. and Garfield ave.

**The Farr Class**  
Fancywork, music and refreshments afforded pleasure for the guests at an assembly of members of the Farr class of the Christian church Tuesday evening at which Mrs. Myrtle Cobden and Miss Edith Harris were associate hostesses at the former's home Washington and Maple sts. Miss Gordon was an invited guest. Plans were made to give a bakery in the near future.

Mrs. Howard Holloway and Mrs. Andrew Dixon will be hostesses at the March meeting at the latter's home, Ohio ave.

**Blucher-Smith**  
Mary A. Blucher and Raymond O. Smith of East Palestine went to Lisbon Tuesday evening and after securing a marriage license were married by Justice William Farrell.

Miss Neva Marie Corli, Canfield, and Roy E. Moore, East Palestine, have been licensed to wed at Youngstown.

Miss Lulu M. Ashinger, Canfield, and Harold V. Cotton, Pittsburg, were among the couples licensed.

**Cara Nome Club**  
Meeting Tuesday evening with Miss Catherine Gallagher, East High st., members of the Cara Nome club enjoyed an informal social time with music and fancywork diversions. A pleasing lunch was served and the appointments were in green. Miss Helen Kaley, Jennings ave., will be hostess at a meeting in two weeks.

**A Surprise Visit**  
Christian Endeavorers of the First Friends church complimented the pastor and wife, Rev. and Mrs. M. M. Coffin, with a surprise visit Tuesday evening at their home, East Fifth and East School sts. Games were a favored diversion and songs by Rev. and Mrs. Coffin were appreciated.

**West Side Community Club**  
On account of illness the meeting of the West Side Community club planned for Friday night will not be held. The next meeting will be March 30, at the home of Mr. and Mrs. W. W. Brown, Damascus rd.

**Baptist Society**  
The Woman's Missionary society of the First Baptist church will meet with Mrs. G. S. Foltz, 427 McKinley ave., at 2 p. m. Thursday.

A fine program has been prepared and a profitable meeting anticipated.

Mr. and Mrs. W. W. Burns, Mrs. J. A. Mounts, Mrs. W. H. Voneman, Miss Celeste Goodman, Mr. and Mrs. Frank Edwick, and Dr. and Mrs. H. K. Yaggi expect to attend the funeral of George Stroup Thursday at Atwater.

Mrs. Walter Schwartz returned to her home in Canton Wednesday after a visit with her mother-in-law, Mrs. Susan Schwartz, East Fourth st.

Mrs. J. E. Bentley, McKinley ave is confined to her home by illness. Her daughter, Ruth, who has been ill of grip, is reported improved.

Mrs. Cal Rinehart, who is ill at the home of her son, Firman Rinehart, Roosevelt ave, is reported to be improving.

Mrs. Theodosia Atchison is ill of bronchial pneumonia at the home of her son, R. M. Atchison, Cleveland ave.

Mrs. K. B. Crawford, Lexington, is spending two days with her parents, Mr. and Mrs. W. S. Garrett, Tenth st.

Mrs. Richard Godward, Bunker Hill is spending a few days with her father, Jonas Goodman, East Fourth st.

Wilson Steer, Winona, has been advised of the serious illness of his sister, Deborah Negus, of Colerain.

Mrs. Edward Kelley, West High st., is at the Central Clinic hospital recovering from an operation.

Miss Alta Whinnery, Damascus rd., who has been ill of pneumonia, is reported much improved.

Mrs. George Stine, who spent some time in Salem, returned Wednesday to her home in Dayton.

Earl Day, Franklin ave., spent Tuesday in Cleveland.

M. E. Lewis, New Castle, Pa., was a visitor here Tuesday evening.

Dr. and Mrs. Lee W. Atkinson and daughter, Margaret, this city, and Dr. and Mrs. Perry King, Alliance, will leave Wednesday evening for Dayton, Pa., to spend a few weeks.

Mrs. Diwyn Stratton, who has been spending a few days in Salem, has returned to her home in Winona.

Mrs. Agnes Simpson, West Green st., has returned from a visit with friends in Cleveland.

J. H. Farrell, Cleveland, is spending a short time here on business.

Mrs. James Thomas, south of Salem, is ill of influenza.

**PREDICT BREAK IN RUHR CRISIS**  
American And British Good Offices Expected To Be Called Upon.

Washington, Feb. 21.—The expectation prevails among some of the highest officials of the administration that the next 30 days will see a definite break in the tense situation that has enveloped all Europe since France occupied the Ruhr—with a possibility of British and American good offices being called upon to effect a new understanding on the controversial reparations question.

This was revealed here today with the announcement that plans for Secretary of State Hughes to attend the fifth Pan-American conference at Santiago have virtually been abandoned.

Mr. Hughes said that he will remain at his desk in the state department.

**Soviet To Permit 20 Percent Drinks**  
Riga, Feb. 21.—Decision has been reached by the soviet to permit the manufacture of beverages containing 20 per cent alcohol and to grant a drinkmaking monopoly, according to a dispatch from Moscow today.

**PEAK NAMED FOR INDIAN GIRL**  
Honor Awarded for Valuable Services Rendered to Expedition Led by Lewis and Clark.

Sacajawea, which in the Indian tongue means "Bird Woman," was born in a little Indian village on the banks of Snake river, just west of the Bitter Root mountains, in what is now the state of Idaho, in 1790.

When Sacajawea was nine years of age, her people, the Shoshones, or Snake River Indians, were suddenly attacked by their foes, the Minutaires of Knife river. While Sacajawea was making her way alone across the river she was caught and taken prisoner. Later she was sold as a slave to Toussaint Chabonnet, a French half-breed wanderer, at Brunswick, N. D. He married her when she was fourteen years old.

Sacajawea and her husband, and their papoose accompanied a party of white explorers, led by Lewis and Clark, on a long journey.

One day the Indian girl risked her own life to save some valuable papers, maps, instruments, books, magazines and medicine, when their boat nearly capsized. Sacajawea swam out and brought the articles back to the boat in safety.

When the travelers reached the land of Sacajawea's birth her presence saved the white men from being killed by the hostile Indians. Sacajawea also foiled a plot to steal all of the horses of the expedition by warning the leaders of the plans of the Snake River tribe.

A few years ago the geographical survey named for Sacajawea the great peak in the Bridger range where she was captured during her childhood, and where she later pointed out the pass over the mountain now used by one of the great railroads.

### DONAHEY VETOES BILL, SIGNS ONE

**Bills Presented Deal With Divorce, Booze, Longer Term Of Office.**

Columbus, Feb. 21.—Gov. Donahey has vetoed the Evans bill which required sterilization of all rags sold to factories for wiping purposes. The governor held the proposed law was vague and crude and could result in prosecution of an innocent person.

The governor gave his approving signature to the Bender bill providing that any person furnishing poison or liquor which causes another person's death may be convicted of murder.

The bill seeking to reduce fatality due to carbon monoxide gas poisoning generated by gas stoves, heaters and other heating devices, is expected to be introduced today. Supported by state health officials, federal authorities and officers of gas companies, the bill will provide regulations for installations of heating devices and prohibit such installations unless authorized by municipal building departments, or health commissioners.

A resolution proposing an amendment to the state constitution providing for a four-year term for governor was introduced by Representative Rolfe, Seneca county. Other bills introduced provide for a chiropractic licensing board; four year term for county prosecutors; exclusion of spectators from court rooms during trials when testimony affecting public morals is given; two years residence in Ohio before divorce suit can be filed and prohibiting divorce from remarrying within a year; permitting the state to collect 25 per cent instead of 50 per cent of the Crabbe law fines, except where the prosecution is conducted by the county prosecutor; protecting first mortgage holders when fines for liquor law violation are made a lien against real estate.

The anti-cigarette bill, introduced by Representative Brown, Champaign county, has been allied by the house committee on reorganization.

**Six Families Flee Blaze; One Woman Taken To Hospital**  
East Liverpool, Feb. 21.—Fire which broke out about 3 p. m. Tuesday practically gutted the interior of the large rooming house conducted by Mrs. Elizabeth Todd Anderson in Broadway between Third and Fourth sts. forced members of half a dozen families to flee hurriedly and caused damage estimated by the owner at between \$4,000 and \$5,000.

Mrs. Anderson was burned about the hands and face on attempting to extinguish the flames and save some of the articles in the house. She was taken to the city hospital, but her condition is said to be serious. None of the other occupants of the building was injured.

### STOCKS

**MARKET OPENS STRONG**  
New York, Feb. 21.—The stock market opened strong today, many of the leading issues being in good demand. Dupont powder advanced nearly two points to 121. Louisville and Nashville was the leader of the railroad group, advancing two points. American Woolen advanced one point. Fractional gains were shown in the steel and oil issues. Kelly-Springfield rose 1/4 to 54 1/4.

**DAMASCUS**  
The condition of Benjamin Shreve, who has been ill for some time, was reported Wednesday to be critical. The boys and girls basketball teams of the Damascus High school will go to Homeworth Wednesday evening to play the high school teams there.

On account of illness the lecture course entertainment to have been given Thursday evening has been postponed indefinitely.

Announcement has been made here of the birth of a son to Mr. and Mrs. Lee Partington, Union Springs, N. Y., formerly of Damascus. Mrs. Partington was Miss Flora Hobson. He has been named Carl Ralph.

Michael Denney is ill of grip. Homer Stanley and family are all ill of grip.

Friday evening the Petersburg High school basketball team will come to Damascus to play the High school teams here.

### DUBLIN IS SCENE OF REBEL ATTACK

**Violent Volleys Of Shots Throw Entire City Into a Panic.**

Dublin, Feb. 21.—A battle of one hour's duration between Republican irregulars and Free State troops was fought in the heart of Dublin today. Fighting began when the irregulars attacked the Bank of Ireland. Free State troops were rushed to the scene. In the meantime the irregulars had taken shelter behind barricades. The violent volleys of shots that followed threw the entire city into panic.

Irregulars took up positions on roof tops and fired upon passing Free State soldiers, the latter rushed into the buildings firing as they ran.

Rebels entered government buildings and started fires, but they were extinguished by firemen before they did serious damage.

**CARD OF THANKS**

## THE MISTAKE

By JANE GORDON

Old Hanley made no friends. His absorbing passion was his only grandchild. But his was an unreasonable, jealous affection, which brought to the girl no happiness. Being a modern young woman, Diana grieved not, but doing her duty fairly by the old man, she fought determinedly for her rightful freedom. So peace did not always reign beneath the roof of the great house that was her grandfather's.

The issue now at hand was Diana's announcement of her engagement, and the editor in question was not approved, because no suitor could be approved, in her grandfather's selfish plan, which was that the young woman's devotion be given to himself solely during the remainder of his solitary years. This, he insisted, was but part of the debt she owed.

How Diana had managed to meet her lover, old Hanley, inwardly fuming, could not know. Diana had met Barry Gale while on a visit to a school chum. Barry was a decent young chap, honest in love, and honestly striving to make a place for himself in the world of business. Because his years were young he had not advanced far—there must needs be some patient waiting upon the part of the engaged couple.

Unless you give up this young man during the year to come, every cent of my money shall go to another young woman," His tongue was sarcastic.

"But Jared"—this was Diana's affectionately disrespectful title for her grandfather—"Jared where will you find the young woman to take my place? As I understand our will, the heir is to have this property only on condition of living in the old house and supporting it in the style to which it has been accustomed." Of course you will leave money enough for that—but what young woman may carry on the home of our fathers?"

Old Hanley's eyes glittered; meaningfully he pressed a button on his desk. Immediately the door opened and a young woman entered the office room. She was a quiet appearing young woman, unlike Diana's vibrant personality.

"Miss Rhoda Brent," the old man introduced, "my granddaughter, Miss Diana Curwood."

Silently the girls regarded each other.

To Diana, standing there in her crimson sweater, it seemed that one of the old-time pictures from the hall had given up its subject. Surely Miss Rhoda, with her shy sweet smile, her quiet pretty manner, was not a spirit of present times.

"Miss Brent," Jared Hanley explained, "is my new secretary. Multins, my lawyer, recommended her. She has been recently left alone in her country home and Multins was a friend of her father."

When Miss Brent was dismissed the old man turned to his granddaughter—"That," he said quietly, "is the young woman to whom my property and fortune will be bequeathed if you prefer to forfeit it. Miss Brent will read to me as I desire, or perform those small social services which my granddaughter should, but does not find pleasure in rendering. If she proves faithful in undivided attention she, and not you, will reap the reward."

That Rhoda Brent proved faithful in her tasks was not to be disputed. Neither did Diana relent in her devotion to her earnest young lover.

Barry was sad at the sacrifice which his beloved must make for his sake, and Diana, good naturedly indifferent, was kindly companionable with her world grandfather. Rhoda walked often with the disapproving girl through the gardens.

"It is so comforting," Diana once said, "to have a trusted woman confidante in my home. You cannot know how comforting, Rhoda." And the secretary, freed from duty in the late hours of the evening, would sit in her bedroom sewing things fine and flimsy for Diana's trousseau.

So the year passed. And Barry Gale came to his desired goal. He might dare to marry Diana now.

It was Rhoda who suggested a way out. Her little vacant home in the country town would be of easy access to the city, she offered; with a very few new furnishings it might be made inviting.

The old man, when he heard the surprising arrangement, sat for a time staring at the happy young faces before him. Diana's threatened usurper and Diana herself, had turned the tables of his spite into loving friendliness. He made one last effort at vengeance.

"So," he said, "you two will change places, Diana of Hanley estate, in the Brent's humble cottage. Rhoda Brent, mistress and owner, here."

But Rhoda's soft voice was raised to dispute him. "That could never be," she said. "Diana's happy presence alone has made my staying here possible. I could not remain if she goes." To the old man alone, she added, "And her presence here alone can make your happiness. Give your granddaughter welcome, and her young husband, who shall be a strength to you. And if you still wish me to stay on then, as your secretary." Which was at last the arrangement. And because Jared had learned that love is stronger than power, they all lived happily together ever after—that is, until Rhoda found her own greater love—which is an other story.

## OBITUARY

William W. Stewart

William W. Stewart, life-long resident of Hancock county and wealthy farmer, died Tuesday afternoon at the family home, three miles south of Chester, W. Va.

For years, Mr. Stewart has been known as one of the most progressive agriculturists of this vicinity. He was born 80 years ago within half a mile of the home where he died. He had always resided in that same neighborhood.

In 1869, Mr. Stewart was married to Hannah Kibbe. Five children resulted from this union. Mrs. Stewart passed away on April 8, 1913. Mr. Stewart was a veteran of the Civil war.

He is survived by four sons, George K. Stewart of Salem, Wilbur E. Stewart of Emerson Valley, Pa.; Jess S. Stewart of Hookstown, Pa., and Clyde V. Stewart of Chester R. P. D., and one daughter, Mrs. Rev. S. V. Finkley, West Liberty, Pa.

No funeral arrangements have been made.

Martin Mathias

Martin Mathias, aged 48, died at his home in Alliance Sunday night of a complication of diseases. Deceased had been a resident of Alliance for 14 years. He was born in Austria, Germany in 1874 and came to this country when a small boy.

He is survived by his wife, his aged mother and five children, Mrs. Herbert Kutz; Harry, William, Albert and Walter Mathias, all of Alliance. Three brothers, Kasper, of Alliance, formerly of Salem; John and Frank of Pennsylvania also survive. He was a member of the Fraternal Order of Eagles, The Loyal Order of Moose and the German Beneficial Union.

Funeral service was held at the home in Alliance Tuesday afternoon, interment in the Alliance cemetery.

The Mathias family is known in Salem.

Jesse E. Lee

Mrs. Ellen Haines, Damascus, has been advised of the sudden death of her brother, Jesse E. Lee, Cherokee, Ia., on Monday. Details of the death and funeral were not given in the message.

Mr. Lee was born near Fairmount home. He married Miss Asenath Dalzell. Surviving are one son, Edward, one grandson, Harold Lee, and one sister, Mrs. Haines.

Mrs. Alexander Roley

Funeral service for Mrs. Alexander Roley, 84, of Wayne township, who died Tuesday, will be held at Bethel Presbyterian church at 2 p. m. Thursday. Mrs. Roley was born and reared in Wayne township and was the mother of ten children. Three children and her husband have preceded her in death. She died at the home of her son, William C. Roley, of Wayne township, with whom she has been making her home during the past winter.

Robert Wilson

Robert Wilson, 62, Columbiana, died of pneumonia at 10 p. m. Tuesday at his home, following a few days illness.

Mr. Wilson was an employee of the American Express Railway Co. and had resided in Columbiana for some years. Three brothers survive.

The funeral will be conducted at the home Thursday afternoon; interment in the Columbiana cemetery.

James Bonner

Charles Bonner, Ellsworth ave., received a telegram Tuesday advising him of the death of his uncle, James Bonner, Mishawaka, Ill. His wife and several children survive. Mr. Bonner formerly lived here.

## Merciless Neuritis

Haps of Hades armed with red-hot pitchforks could scarcely inflict more cruel, agonizing torture than that endured by many sufferers from neuritis.

The sharp stabbing pains caused by this disease are usually centered about the shoulder, neck, forearm, small of the back or along the thigh and leg in the region of the sciatic nerve.

Sometimes they move from one part to another, sending out lightning jabs which produce untold misery.

If you want prompt relief, apply Tysmol over the part that hurts, and the pain should disappear.

Tysmol is absorbed through the pores of the skin and has a soothing, healing effect upon the inflamed, diseased nerves. Contains no "drugs." Guaranteed harmless. Price \$1 at The Lease Drug Co., and leading druggists everywhere.

Tysmol Company, Mfg. Chemists, 460 Sutter St., San Francisco.

## DRY AGENT FINED \$1,800, IS JAILED

Daniel Williams, a prohibition enforcement officer working out of East Palestine was found guilty on a charge of illegally possessing liquor by Justice of the Peace P. V. Mackall in East Liverpool Tuesday afternoon. He was sentenced to pay a fine of \$1,800 and costs.

This is declared to have been the heaviest fine ever imposed in East Liverpool in a liquor law violation case.

Attorney J. E. Banknecht of East

Palestine, counsel for Williams filed notice with Justice Mackall that the case will be appealed to common pleas court on error.  
Justice Mackall denied the motion of counsel for the defense that Williams be released on bond pending the appeal. He directed that the defendant be committed to jail until the fine is paid. He was taken to county jail in Lisbon.

## PRISON DOORS

(Continued from first page.)

The young wife displayed a courage that rivals any in fiction, sustained by positive knowledge that "Roy" was with her when the shot that killed the Wilmington patrolman was fired. Brushing aside tears, she explained to skeptical neighbors that "he'll be freed some day."

Last night, at the dusk hour most fitting for the time, she played on her phonograph the familiar "Song at Twilight."

A knock startled her, for visitors

had been few during her long fight to free her "Roy." A messenger boy handed her a telegram.

A glance at the message rewarded her for eight months of unswerving allegiance.

"I think I'll have a nice big steak for supper tomorrow night," she gulped, "Roy does love steak."

## CITY BRIEFS

## REFUSE TO REVEAL NAMES

Odd Superstition That Prevails Among Certain Island Tribes of American Indians.

Writing of tabooed words in "The Golden Bough," Sir J. G. Frazer says: "The Indians of Chile keep their names secret and do not like to have them uttered aloud; for they say that there are fairies or imps on the mainland or neighboring islands who, if they knew folks' names, would do them an injury; but so long as they do not know the names these mischievous sprites are powerless."

"The Araucanians will hardly ever tell a stranger their names, because they fear that he would thereby acquire some supernatural power over themselves. Asked his name by a stranger who is ignorant of their superstitions, an Araucanian will answer, 'I have none.'"

"When an Offway is asked his name he will look at some bystander and ask him to answer."

"Sure! Even the apaches of the rogues' gallery know the evil omen of the real name. Hence the origin and would-be magic of the 'alias.'"

## PROPOSES TAX ON GASOLINE

New Highway Bill Makes Its Appearance in House.

HAS SUPPORT OF THE LEADERS

Provision Made For Transfer of Main Market and Intercounty Roads to Supervision of State Highways Department—Income Tax Measure Launched by Representative Fouts. Anglers' License Bill Before the Governor.

Columbus, Feb. 21.—Following a

group of Republican members of the Ohio House of Representatives introduced a bill, carrying a 2-cent a gallon tax on gasoline, made its appearance in the house. The bill, drafted after a legislative committee made an inspection trip to Pennsylvania and Maryland to investigate gasoline tax laws in those states, was introduced by Representative Brown of Champaign county, chairman of the highways committee.

The measure provides for the transfer of all main market and inter-county highways not now maintained by the state to the supervision of the state highways department, and the gasoline tax is provided to supply the funds for maintaining, repairing and resurfacing of these roads. The tax will be collected from the wholesale dealer, who will be required to make monthly reports, accompanied by the tax money, to the secretary of state, showing the amount of gasoline sold.

Twenty per cent of the revenue is to be paid to the municipalities, distributed among them on the basis of the number of motor vehicles registered from each municipality. Another 20 per cent is to be divided equally among the counties. The remaining 60 per cent goes to the state, two-thirds of it to be expended for maintenance and repair of roads taken over from the townships and counties and the other one-third for resurfacing roads constructed or previously taken over by the state for maintenance. Gasoline used for farm tractors, stationary engines, motorboats, aircraft, cleaning industries and domestic uses is to be exempt from the tax.

Failure to make correct returns and making fraudulent returns is to be punishable by fine of \$25 to \$1,000 for the first offense, and fine of \$100 to \$1,000 or imprisonment for six months, or both, for subsequent offenses.

The state income tax bill, sponsored by Representative Fouts of Morgan county, proposes a 2 per cent tax on all incomes from property on which no general property tax is paid, giving unmarried men an exemption of \$1,000 and married men or widows supporting minor children an exemption of \$2,000. All salaries, wages, profits in business, investments, purchase or sale of property, tangibles or intangibles, rents, dues, accounts, settlements, or contracts of any nature, to quote the bill, would have to be reported in making the required income tax return. Income derived from "property on which taxes are paid" would be exempt, thereby providing that the farmers and real estate holders would not be compelled to pay. Revenue derived from this tax would be collected and retained by the counties. Failure to make the required tax return, or making, knowingly, of incorrect return, would render violator liable to tax of 4 per cent.

Governor Donahey has the Atwood anglers' license bill, which was put through both houses. The senate concurred in house amendments which make the bill apply to the Lake Erie district as well as inland streams and which will compel farmers and owners of private lakes to pay a license to fish on their own property. These house amendments were offered by Representative Bloom of Sandusky county, who led the opposition to the bill's passage. Friends charged their purpose was to kill the measure.

The bill provides that all persons over 15 years of age shall pay a license fee of 50 cents a year to fish, the money to be used in restocking streams and building fish hatcheries.

The steering committee, composed of nine senators and nine representatives, which decides what legislation is to be enacted and what killed, has let it be known that there will be "no meddling with the election laws." This means, it is stated, that a dozen or more election reform bills pending are as good as dead. The list includes proposals for permanent registration of voters; that party platform planks be voted on at the primary; combination of primaries in presidential years; providing for secret ballots in primaries and that voters would not be required to disclose their party affiliations at the primary; and that election expenses be reduced by abolishing two of the four judges in each election precinct.

Speaker Griswold is of the opinion that the Eighty-fifth general assembly will wind up its work by April 1 unless the legislators get into a "jam" which can not be foreseen. In

roduction of new bills, under a rule adopted by each house, will stop Feb. 26. After that date a new bill can be introduced only with the consent of three-fifths of the members. Only a small fraction of the bills now in the hopper will ever be enacted, and the majority of them will never be voted on. If the tentative program of the leaders goes through.

"I see no reason now why we won't be through before the end of March," said Griswold, "unless some development occurs which is not now expected."

The appropriations bill, the Taft taxation measure, a bill now being prepared by the house highways committee to provide a comprehensive program for highway maintenance and repair, and probably some proposals to tighten tax law enforcement, comprise the legislative leaders of both houses have agreed must be enacted.

When these are disposed of the plan is to be adjourned at least to recess until early in 1924.

The Taft tax bill will come before the house for action next Tuesday. Mr. Taft, sponsor for the bill, served notice on the house that he would ask that his measure be made a special order of business at that time, in order to insure early action.

The bill, as amended by the house taxation committee, was referred to the committee at Taft's request to permit final consideration by the committee of reprinted measure. It has already been reported by the committee with recommendation for passage.

Leaders say there will be little concerted opposition to the bill, as amended, when it comes before the house. Objections of the "Cornstalk club" to the original bill, it is said, have been met by amendments, and the rural members, as a whole, will not oppose it. Chief features of the bill are its provisions for increasing the tax limitations to 17 mills for cities and 14 mills for rural districts, and the creation of an elective, non-partisan budget commission in the county.

The Herbert house bill requiring finger prints of all persons arrested for felony to be filed with state bureau of criminal identification and broadening powers of the bureau in criminal investigation work, is before the senate.

The house passed the bill, with only one dissenting vote, that of Representative Rubenstein, Cincinnati, who spoke against the bill on the ground that it would operate to injure innocent persons arrested for felony but whose finger prints and identification descriptions would be taken on the presumption they were guilty. The bill, as amended, provides that finger prints and descriptions of persons not convicted would be returned to them.

The Owen bill, defeated in the house, was referred to the committee on parks and public works when the house reconsidered its action. The measure will be amended in committee and probably will be passed when it comes out again. It authorizes the purchase of land by the board of control of the state agricultural experiment station for state forest parks.

A bill providing for the establishment of special school classes for mentally defective speech was introduced by Senator Kumbler, Preble county.

Failing to secure the required constitutional majority to pass, the bill by Representative J. T. Brown, Champaign county, abolishing the 8-hour day provision on public works so far as it applies to roads, streets, bridges and sewers, had been relegated to the legislative junk heap.

The bill lacked 12 votes of passing. The vote was: For, 54; against, 45.

State institutions in and near Cleveland and Wooster are being inspected over the weekend by members of the house and senate finance committees. At Cleveland the problem of meeting the demands upon the state for caring for and housing feeble-minded persons is to be gone into in detail. Social and welfare workers are pressing the solution to provide for the building of new institutions for these unfortunate in the northern and southern parts of the state, and it is understood this plan is favored by legislative leaders.

Welfare Director John E. Harper is said to favor this plan, although Governor Donahey has indicated that he will favor no new institutions until the Orient institution has been brought up to capacity.

Thousands of feeble-minded persons are at large in the state, it is said, because of lack of accommodation in state hospitals.

State Director of Agriculture Trunk announced the appointment of Richard Faxon of Elvira as acting chief of the state division of plant industry, succeeding E. C. Cotton, resigned, and the appointment of Harry Zachman of Marion as cashier in the fish and game division, succeeding Frank Bryant, resigned.

Director of Industrial Relations Winter announced these selections: H. L. Rebrasser, Columbus, to be supervisor of claims, succeeding S. S. Stewart; W. K. Merriman, Columbus, assistant supervisor of claims, succeeding W. H. Christy; Donald Boggs of Carrollton, payroll auditor; Mary A. Corbett of Columbus, chief clerk of the auditing division, and B. P. Vorhees, Coshocton, claims examiner.

WANTED—LARGE CLEAN CO' ON RAGS AT NEWS OFFICE. 5

## GRAIN WAREHOUSE WILL BE ERECTED BY HOMEWORTH CO.

Livestock Directors To Organize; Other Farm News Of County.

Prospectus of the new Homeworth Supply Co. is now being distributed throughout that part of the county. This movement is being led by Dallas Hahn of Kensington, one of the most active Farm Bureau members in that part of the county.

This new company is to be capitalized at \$65,000, shares being sold at \$100. Each stockholder will be entitled to only one vote in the conduct of the affairs of the company, regardless of the number of shares of stock held individually.

The board of directors, with the assistance of stockholders and an expert from the State Farm Bureau Federation, shall determine whether they shall buy or build a warehouse. Books of the company are to be audited annually by an expert auditor from the Columbus office of the State Farm Bureau Federation.

Twenty per cent of the profits of the company are to be placed to the credit of a sinking fund, as this method will prevent the company from going bankrupt in depressing times. In addition to cash dividends a patronage dividend is to be distributed at the end of the fiscal year, and these will be paid to a stockholder according to the volume of business they do through the organization.

Stockholders in this new company will be solicited from Knox and West townships in Columbiana county and adjoining townships in Stark county.

The directors of the Columbiana County Livestock Shipping association will meet in the Farm Bureau offices in Lisbon at 10 a. m. next Saturday for the purpose of organizing for the next fiscal year, also to elect a market manager for the new term. This latter office is now held by J. E. Walton of Salem, and his reelection is anticipated.

R. B. Cruikshank, of Columbus, has announced that he will come into this county either March 1 or 2 to talk to the members of the Columbiana County Horticultural society, and for the purpose of getting a line on the orchard work that is to be done in this county during the current growing season.

Boys and Girls' club work is to receive an impetus in this county at 10 a. m. Wednesday, Feb. 23, when B. B. Shone, Columbus, will come to the Farm Bureau offices to discuss club activity for this season. Club work, canning club work and poultry club activity are among the subjects to be discussed.

Mr. Shone is a state leader in club activities, and it is proposed by township Farm Bureau units to form these clubs in every township in the county.

The Farm Bureau membership campaign will be launched in this county April 1 with more vigor than ever before. Some township leaders have already started work, and in Knox township, Dallas Hahn has reported a membership increase of 15 over the record of last year.

Franklin township last year had a record of 100 per cent, it being the first township in the county to be so designated. Fairfield township has announced that it will go ahead of its record of 1922.

Five cars of certified seed potatoes.

## Skin Ablaze with Eczema

Constant Itching Almost Unbearable!

We know there is one thing that stops eczema, and that is more red blood cells! S. S. S. builds them by the million! You can increase your red blood cells at the point where it is practically impossible for eczema to exist. We know that as

blood cells increase in number, blood impurities vanish! We also know that night follows day. Both are facts! But have you, eczema sufferers, ever actually taken advantage of this wonderful fact? Thousands just like you have never thought about it! Skin eruptions, eczema with all its fiery, skin-digging torture and its pimply, itching, unbearable itching, pimples, blackheads and boils, they will not go, when the tide of blood cells begins to roll in! Blood cells are the fighting giants of nature! S. S. S. builds them by the million! It has been doing it since 1825! S. S. S. is one of the greatest blood-cell builders, blood-cleaners and body-builders known to us mortals! When you put these facts together, then to continue to have eczema and skin eruptions looks more like a sin than a disease. Mrs. Arthur N. Smith, Pearl St., Newark, Ohio, writes: "My little girl had a very bad case of eczema. She began taking S. S. S. and I tell you, I thank you very much. I tell my friends what a good medicine it is. I cannot talk too much about it, for I know it is O. K." Here is your opportunity. S. S. S. contains only vegetable medicinal ingredients. Because S. S. S. does build red blood cells, it cures rheumatism, builds firm flesh, fills out hollow cheeks, beautifies the complexion, builds you up when you are run-down. S. S. S. is sold at all drug stores in two sizes. The larger size bottle is the more economical.

S.S.S. makes you feel like yourself again

## COMB HAIR AND IT STAYS

Costs Few Cents a Jar—Keeps Hair Glossy, Well Groomed.

Millions Use It—Fine for Hair! —Not Sticky, Greasy or Smelly

Even stubborn, unruly or shampooed hair stays combed all day in any style you like. "Hair-Groom" is a dignified combing cream which gives that natural gloss and well-groomed effect to your hair—that final touch to good dress both in business and on social occasions. Greaseless, stainless "Hair-Groom" does not show on the hair because it is absorbed by the scalp, therefore your hair remains so soft and pliable and so natural that no one can possibly tell you used it. Drug stores

are to be brought into Columbiana county this year from Wisconsin. The books for reservation for such seed stock have been closed, and over 4,000 bushels have been specified. Final totals were footed up Monday afternoon, and the earliest orders forwarded. The volume of certified seed potatoes coming into this county this year is the greatest in the history of the county, and this indicates an increased yield.

## THEATRES

Don't Doubt Your Wife  
If a husband has not faith in his wife; if he is unreasonably, foolishly jealous; if he believes the tongues of gossip in preference to his wife; if he judges by appearance rather than the truth, does marriage pay for a woman?

A woman has answered these questions in "Don't Doubt Your Wife," the powerful Associated Exhibitors dramatic feature showing Thursday and Friday at the High school auditorium. Leah Baird, herself a woman of keen perceptions, broad vision and great intelligence, wrote "Don't Doubt Your Wife." She is

also the star. In fact, it is the first of a series of six Leah Baird productions for Associated Exhibitors.

## How to Insure Sales For Your Product

The chief asset of any business is the demand for its product. As long as that demand continues, the business is on a sure foundation. But let that demand subside, and every other asset of the business is in danger of becoming a liability.

In times of prosperity and a rising market there is a general demand for the products of industry that comes to be accepted as a matter of course. It is seldom listed among the assets of the business—it is simply assumed that it will always be there.

But, overnight, conditions may change—as they have done before—and the matter-of-course demand becomes conspicuous by its absence. The business, once strong and flourishing, is suddenly found to be in a very tight place. The demand had not been insured—and yet the entire business depended upon its continuance.

The modern, economical way to insure the market for any reliable product is by Advertising to the public which consumes it. Advertising creates a steadily increasing number of customers who desire the product, and ask for it by name.

Changes in business conditions

have little effect on a steady consumer demand for trade-marked articles of common use. The dealer may carry a lighter stock, and for a short time the demand through the jobber may seem curtailed; but just as sure as customers are calling on the dealer for the product, he is sure to supply it, and orders soon begin to flow in to make up for the temporary curtailment. The total consumption continues about the same.

Any manufacturer who has an article for popular consumption that can be trade-marked has the opportunity to insure his consumer market and retail sales by means of Advertising.

During the present business condition the manufacturers who have insured their demand by Advertising are in a far better position—in every way—than those who have trusted to the current demand that was not of their creating.

## TWO DRY BILLS UP TO GOVERNOR

Bender and Padlock Proposals  
Pass General Assembly.

### TRAFFIC CODE BEFORE SOLONS

Proposed Regulations Agreed Upon by  
Law Directors of Five Largest Cities  
of Ohio—Attorney General Makes  
Ruling on Bill to Repeal Perpetual  
Franchises—Measures Before the  
Legislature.

Columbus, Feb. 21.—A bill incorporating the united traffic regulations agreed upon by law directors of the five largest cities of Ohio is before the assembly and will likely be sponsored by the chairman of the highways committee of both houses.

The measure requires owners and drivers of cars to carry at all times a certificate of registration which may be suspended or revoked for speeding, careless driving, failing to stop after an accident, failure to stop behind a streetcar or driving while intoxicated.

Persons under 18 are prohibited from driving within municipalities, and under 16 in all parts of the state. Uniform rules of the road covering signaling, backing, stopping, and the like are incorporated in the bill.

Speeding and careless driving sections of the present law are separated. Fines of from \$10 to \$100 are provided for first offenses; fines of from \$25 to \$50 or 10 days' imprisonment, or both, for second offenses, and fine of from \$50 to \$200 or imprisonment from 10 to 30 days, or both, for third offenses.

In case the violator operates a motor vehicle in excess of 20 miles an hour in the closely built-up portions of a municipal corporation, the trial judge may impose a workhouse sentence of not more than five days in addition to the fine for first offenders.

Under the provisions of the proposed law, sentences imposed by the court are to be endorsed upon the registration certificates carried by owners and drivers of motor vehicles.

Two prohibition measures now await the decision of the governor. The Bender bill, which was passed by both houses last week and which makes the sale or gift of death-dealing liquor second degree murder, was signed by the speaker of the house and the president pro tem of the senate Tuesday. The second bill, an amendment to the Crabbe act, incorporating the "padlock" provision of the Volstead act, passed the senate as it came from the house. The measure, introduced by Representative Gordon of Logan county, provides that courts may declare a nuisance any property in which liquor is made and close such property for a year.

The bill passed the upper chamber with but three dissenting votes—Senators Gardner and McCreary of Cincinnati and Gifford of Toledo. Mrs. Loughhead, the other senator from Cincinnati, was absent.

Gardner and McCreary both declared they were for enforcement of the prohibition laws, but were opposed to measures which "leaned backward" and played into the hands of "grafting dry agents," who, they said, stood a good chance of being made guardians of property closed under this bill.

Attorney General Crabbe, in an opinion, ruled that the Vorys bill to repeal perpetual franchises held by the Columbus Railway, Power and Light company is unconstitutional. The ruling was sought by Representative W. H. Albaugh, chairman of the house utilities committee, to which Vorys' bill had been referred for consideration. The opinion will apply also to the similar bill introduced in the senate by Senator Atwood of Columbus.

The attorney general holds the Vorys bill "embraces subject matter of a general nature," but is local in its operation, and is therefore special legislation. "The bill specifies, in a certain city, the franchisees of a particular railway company and seeks to deny to it by legislative act the same protection on the same subject that is given by the laws of the state to others similarly situated," the opinion points out.

George S. Marshall, former mayor of Columbus and president of the Street Railway Home Rule association, issued a statement saying the Crabbe ruling is not at all a serious setback to supporters of that legislation. "It appears," he said, "to be a mere matter of the way in which the bills are worded, and the wording can easily be changed."

Representatives of women who are working for the Burke minimum wage bill have started deluging the senators with copies of every government and semi-official report available on minimum wage legislation in other states and with statistics on wages of women in Ohio. "If the legislators are sincere in their claim that more information is needed, they can have all the information there is if they will study these reports and statistics during the coming week," said Sen-

ator Burke. The contest is the result between opponents and advocates of minimum wage legislation will not be staged until a week from today. Senator Burch of Akron, chairman of the labor committee and author of the resolution which his committee voted to substitute for the minimum wage bill, asked for postponement until next Wednesday because of the death of Burch's stepmother, necessitating his absence from the senate. Opponents of the resolution did not oppose Burch's request. They said the week's delay will give them opportunity to bring before the senators the data which Burch, in his resolution, claims the senate should have before it acts.

Representative Charles Brenner is preparing a statement showing the cost of Cuyahoga county courts to combat the Dempsey bill providing for six additional common pleas judges. Brenner says his figures show that the county saved \$27,000 last year by bringing in out of town judges to help out in Cuyahoga county. He says representatives from other counties have promised to help him in his fight against the judges' bill as the state pays \$3,000 of the \$5,000 salary paid each judge in Cuyahoga county. Brenner will oppose the Davis bill, legalizing the payment of higher salaries to court constables assigned to other than regular bailiff duty.

A bill permitting cities of more than 100,000 population to consolidate city and county governments under a city charter, provided it is carried by a referendum vote of the people, was introduced in the senate by Senator Collier, Republican of Cuyahoga county. Senator Collier stated that the bill was drafted to permit the consolidation of the government of Cuyahoga county and the city of Cleveland under one charter.

The house passed the bill introduced by Representative Herbert of Columbus creating a state bureau of criminal identification and investigation. This bill, which was drafted as part of a nation-wide plan of criminal detection, provides for the taking of fingerprints of all persons arrested for crimes and for the filing of copies of the prints with the state bureau and distribution among cities and counties of the state. The national phase of the plan is being sponsored by William J. Burns of the federal secret service department.

The senate concurred in the passage of a bill by Representative Nick of Ottawa county, providing that township trustees may appropriate \$500 for soldiers' monuments if requested to do so by 30 per cent of the voters.

The senate also passed a bill sponsored by Senator Bragg of Erie county, which would increase commercial fishermen's license fees in the Lake Erie district enough to raise about \$6,000 additional state revenue.

Representative Morgan's bill, which holds the operator equally responsible with the owner of an automobile in case of accident, but which was amended in the house to provide for location of courts of action in such cases, was amended to its original form and passed by the senate. It must now go back to the house.

Senator Jones of Trumbull county sponsors a measure to amend the Bing compulsory school attendance law and make it less drastic in regard to school children in rural districts. It provides the division of charities, state department of welfare, may excuse pupils after an examination as to mentality; that no child under 16 may work and attend school less than nine hours in any day; that certificates must be kept on all school children after September, 1925, and that no child under 18 may be suspended from school except by action of the board of education for "wilful and continued delinquency," and that such cases shall within one week after board action be taken to juvenile court and treated the same as other cases of delinquency.

Judges are empowered to terminate suspended sentences of prisoners committed to probation officers by a bill to be introduced by Senator L. G. Collier of Cuyahoga county. Collier says the bill is backed by the Cleveland Bar association and follows refusal of penitentiary officials to accept a prisoner whose sentence was ordered into effect after he had been committed to the custody of a probation officer.

Motor trucks would be provided with mirrors, to enable the drivers to see the road behind, under a bill sponsored by Senator McCreary of Cincinnati and passed by the senate.

By a bill prepared by Representative S. F. Sullivan of Mahoning county fire departments in Ohio cities would be supported in part by fee which foreign insurance companies pay for doing business in the state. Sullivan's measure provides that if funds are to be divided on the basis of tax duplicates for the next five years. Unless this means of charging revenue is provided 26 Youngstown firemen will have to be laid off, Sullivan says.

Any plan for the general assent to recess at the end of the present session, instead of a four-day recess, will be opposed by Representative Fischer of Cuyahoga county. If a plan were followed of holding up a recess appointment of Governor Denney, "I will not vote for any plan to embarrass the governor in making appointments," said Fischer, who is a Republican.

WANTED—LARGE CLEAN COTTON RAGS AT NEWS OFFICE, 200 N. 1st St., Columbus, Ohio.

## Alleged Slayer Trapped By Phone

Robert Downey (with cap).

When Boston policemen arrested a man there on the charge of brutally murdering 17-year-old Christina Hervish, daughter of a sexton in Wallington, N. J., a man called Police Chief Michael Kelly, of Jersey City, N. J., on the telephone and told him the wrong man had been arrested. "I OUGHT TO KNOW," he said. Engaging the man in conversation, Kelly traced the telephone to New York, and the New York policemen arrested the man as he was leaving the telephone booth. He turned out to be Robert Downey, known also as Sylvester McGrath, a deserter from the navy. He confessed the crime and implicated James Joseph Cochran, also a deserter from the navy, and now both face charges of murder.

## COLUMBIANA WILL DEDICATE CHURCH

Columbiana, Feb. 21.—Rev. A. G. Rupert of the Methodist church announces the date of the dedication of their new church for Sunday, April 15.

The building when completed will cost about \$70,000, and is modern in every detail. Following the Sunday of dedication a week of post-dedication services will be held.

One of the big factors in the realization of this splendid achievement is the Ladies' guild of the church. Bishop F. W. Anderson of Cincinnati, and Mrs. F. H. Grove, Dr. J. A. Mott, and other representative men and women of the Eastern Ohio conference will be present at the dedication.

# Ford

## Four Reasons Why You Should Buy Your Ford Car This Month

I. The unprecedented demand for Ford Cars throughout the winter months has taken the entire output of the Ford plants working at capacity, indicating that the demand this Spring will be far in excess of the number of Ford Cars that can possibly be built.

II. January was the tenth consecutive month in which retail deliveries exceeded 100,000 Ford Cars and Trucks. Requirements for February, the month when preparations are already under way for Spring business, called for 148,407 Cars and Trucks—more than 24,000 in excess of the number we can possibly produce.

III. Ford dealers in many parts of the country are already finding it necessary to specify future delivery dates on Ford Products because there are no reserve stocks to draw from.

IV. Your order placed now will protect you against delay or disappointment later on—It is the only way you can be assured of reasonably prompt delivery.

We consider it important to give you these facts, so that if you are planning to purchase a Ford Car, Truck or Fordson Tractor for use this Spring or Summer you can list your order at once and take advantage of our dealer's first opportunity to make delivery.

## Do You Have Your Shoes Rebuilt— Or Merely "Fixed"

There is a whole lot of difference between make-shift "fixing" that only makes your worn shoes hang together a little longer—

and the careful way in which we RE-BUILD shoes, even when they are practically ready for the discard.

For example, when we re-sole your shoes they're just as comfortable as before; they're shaped but not tightened. The soles will stay on, because when stitching, we're careful that the needle does not cut through the "inner-seam," which holds the inner-sole, welt and upper. The edges of the sole are carefully trimmed, and neatly finished, being sure not to trim the out-sole into the stitches. And of course we use the best of materials all the way through.

NOTE—Let us familiarize you with our Repair Service with these prices, effective until March 1, only:

## COURT NEWS

**Demand Jury Trial**  
Ed Kelly of Valley, whose case is to be heard in juvenile court Friday, has demanded a jury trial and yesterday afternoon the following jurors were drawn from the jury wheel to serve on this case: T. A. Hibbits, L. A. Zocher, J. C. Ray and D. A. Smith. Kelly's case is against the city of Columbus, Ohio, for damages to his car. Kelly is a resident of Columbus, Ohio, and his car was damaged by a city-owned car. Kelly is a resident of Columbus, Ohio, and his car was damaged by a city-owned car.

**City Wins Case**  
The \$15,000 damage action against the city of Columbus brought by Miss Alice McClain, because she fell over an exposed water box cover while walking across a city street, was decided Tuesday afternoon when the jury found for the city and denied the plaintiff's petition. The case consumed much time and was bitterly contested by attorneys for the city and the plaintiff.

**Salem Company Sued**  
The Corday Goss company through Attorney L. B. Harris of Salem, has filed a suit in common pleas court asking that the court grant them judgment against the National Sanitary company of Salem, for the sum of \$571.39, said to be due them for furnishing materials and printing a catalogue of the company's wares for their trade. No part of this sum has been paid and they seek judgment in full.

## CARELESS VOTER CALLED CRAFTER

Columbus, Feb. 21. — Voters who make no effort to assume any responsibility for the government but who accept the benefits of government constitute "the greatest crafters in politics," said Prof. Charles E. Merriam, University of Chicago, addressing an audience at Ohio State university.

"Of the more than 54,000,000 persons eligible to vote in the United States only 26,000,000, or less than half, voted at the last presidential election," continued Prof. Merriam. "The reason for this apparent indifference of the voters to national government affairs is due to growing prejudice against party politics."

"The growing power of 'bloes' is doing much toward minimizing the control exerted over national affairs by party politics. Even though a majority of congress were in favor of any given bill this bill would go down to certain defeat if the big non-partisan organizations, such as the American Legion, the Red Cross and the Anti-Saloon League, were to pronounce their disapproval," said Prof. Merriam.

Canton—Six boys, members of the junior orchestra of the First Christian church here, narrowly escaped death in an automobile collision while returning from a grange hall where they had been playing.

## WOMAN SO BLUE SHE CRIED

**Because of Ill Health—Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound**

Burlington, Iowa.—"I used to dread the time for my monthly period as it came every two weeks and lasted for two weeks, and during that time I would have the blues and cry. Since I have taken Lydia E. Pinkham's Vegetable Compound I am so happy I can hardly express myself. I have gained several pounds and look fine. I have recommended your medicine to my friends and you may publish my letter as a testimonial. I hope your medicine will give others the relief it did me."

Mrs. RALPH GAIL, 2921 Des Moines St., Burlington, Ia.

Lydia E. Pinkham's Vegetable Compound is a medicine for ailments common to women. It has been used for such troubles for nearly fifty years, and thousands of women have found relief as did Mrs. Gail, by taking this splendid medicine.

If you are suffering from irregularity, painful times, nervousness, headache, backache or melancholia, you should at once begin to take Lydia E. Pinkham's Vegetable Compound. It is excellent to strengthen the system and help to perform its functions with ease and regularity.

## BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel.

The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lacy" and "heavy." They "clear" clouded brain and "perk up" the spirits. 15c and 30c.

## LUTHERANS DOWN DAMASCUS, 23-14

The Salem Lutheran basketball team handed the fast Damascus quintet a 23-14 trimming Tuesday night at the High school gym. The superior teamwork and shooting ability of the locals proved too much for the Damascus five.

Sanders led the locals in scoring with seven field goals and one free throw. Steer was high man for the visitors with three from the field and two from the foul line.

The visitors put up a strong battle but were unable to solve the teamwork of the Lutherans.

The locals will journey to Damascus for a return game next week and also desire to secure games with other teams in nearby towns.

The lineups:  
SALEM—23. DAMASCUS—14  
Fernengel ..... F. .... Slagle  
Herman ..... F. .... Steer  
Sanders ..... C. .... Anderson  
Rutsky ..... G. .... Hill  
Konerth ..... G. .... Crouch  
Field goals—Sanders 7; Fernengel 2; Herman 1; Konerth 1; Steer 3; Slagle 1.  
Foul goals—Sanders 1; Slagle 2; Steer 2.  
Referee—Sartick.

## SALEM TEAMS GO TO LISBON FRIDAY

Undaunted by their defeat at the hands of Wellsville High last Saturday, the Salem scholastic basketballers are working hard in preparation for their clash with Lisbon at the county seat Friday night. This will be the first meeting of the teams this year.

To date Lisbon has not enjoyed a good record but they have been termed dangerous on their own floor. The Lisbon girls' team hold a victory over East Palestine who in turn defeated the Salem lassies.

The same lineup that worked against Wellsville will likely start the game against the county seat passers. This team worked well together at Wellsville and is expected to develop more teamwork for their battle at Lisbon.

A number of rooters are planning to accompany the team.

## Eddie Collins Sees White Sox As Next World's Champions

Philadelphia, Feb. 21.—Not in the least disturbed by the failure of the New York Yankees to lure him away from Chicago, Eddie Collins declared today that he would proceed to forget the proposed transfer and turn to "help Kid Gleason win another pennant."

He spoke in this rather extravagant vein with evident sincerity in discussing the White Sox chances. Collins is of that rare type known as "a winning ballplayer." He never anticipates or concedes defeat.

"The way I look at it," he declared, "it was a chance of going from one possible winner to another. The White Sox, under one of the best managers in the business, have a royal chance of coming through. I think they can win the pennant, if one or two of their young pitchers develop according to expectations. Even the Yankees have a few 'ifs' of this kind to contend with."

"The way I look at this deal I was to figure in, it will only mean that I will make arrangements to do my training in Seguin, Texas, instead of New Orleans, La. I won't say that I wouldn't have liked to land in New York but the fact of the matter is I would be downright sorry to leave Chicago."

## RED PEPPER FOR RHEUMATIC PAIN

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It cannot hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.

### NEWS IN BRIEF.

Bellaire — Negro men from the south are being imported here to work in the Carnegie Steel plant. Formerly 1200 local laborers were employed in the plant but many have resigned due to low wages paid, it is alleged.

Youngstown—Judge W. S. Anderson, who was taken ill while in court a week ago, is improved according to statements by members of the Anderson family, but the judge will not be able to return to the bench until next week.

## ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—don't work a burden? Have you suspected your kidneys? Salem people endorse Doan's Kidney Pills. Ask your neighbor.

Mrs. Robert Zimmerman, 174 East Fourth st., Salem, says: "I had a great deal of heavy lifting and stooping to do and my back would get awfully lame and stiff. In the morning I could hardly get out of bed, my back was so lame. My kidneys didn't act right and I had a pain in the back of my head and neck. At times, I was very dizzy and when I stooped or looked up, I would nearly fall. I felt tired and languid. Hearing what Doan's Kidney Pills were doing for others, I got a box at Trimble's drug store. Two boxes of Doan's cured me of backache and kidney trouble. I couldn't wish for better health than I've had the past year."

(Statement given May 21, 1917).  
On June 6, 1921, Mrs. Zimmerman said: "Doan's Kidney Pills are a fine medicine. They fixed me up in good shape a few years ago and I gladly confirm my statement of 1917."

## PLEADS INSANITY IN ROBBERY CASE

Alleging that Ross Thompson charged with stealing tires from the McLean Tire company in East Liverpool, is insane, Dr. E. E. Davis has filed an affidavit with the court and demands that the man be brought before a special jury in common pleas court for the purpose of having him declared either sane or not sane. The following will serve on this jury:

T. C. Foster, P. G. Nellis, E. L. Owen, East Liverpool; Mrs. Edie Sellers, Mrs. Nellie Tolerton, Salem; G. J. Koch, G. H. Eaton, Mrs. Jennie Luckenbrod, East Palestine; J. F. Hively, New Waterford; W. S. Harlan, Beloit; Mrs. Allie Rice, Lisbon; W. A. Baker, Homeworth; Clara J. Whitefeather, North Georgetown; Jennett Shingler, Sadie Noble, George Satois, Wellsville; Anna Garbreath, Leetonia; Harry Sponseller, Columbiana; C. E. Daniel, Salineville.

The case is set for hearing Monday, Feb. 26, before Judge J. G. Moore.

## Bank Gives Warning Of Bad Check Passer

The Firestone bank of Lisbon is sending out a warning to business men all over the county to beware of a man calling himself C. A. Reed, who has been passing bogus checks, signed by the Butler Harvey Nursery company and its treasurer, John A. Butler, and drawn on the Citizens bank of Norwalk, Ohio. The Norwalk bank carries no account for any nursery company of this name, the Lisbon bank says. The man fleeced one Lisbon merchant, it is said, and it is believed he has been working in the vicinity of Wellsville.

## BIG EDUCATIONAL MEETING PLANNED

Teachers Of All Rural And City Schools May Be Called Together.

Instead of having a teachers' institute in the David Anderson High school, Lisbon, this year, as has been the custom annually for some time, a larger meeting of similar character has been planned, and this will be considered at a meeting of the Columbiana County School Masters club, which will be held in Leetonia Wednesday night.

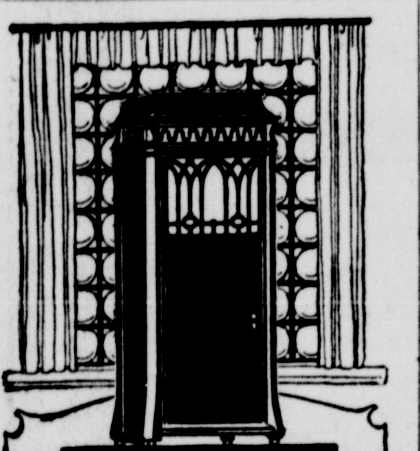

It has been suggested that at the annual meeting of the county board of education, members of all township boards of education meet in Lisbon, and at the same time teachers and principals of all other county schools convene at the same time.

It is the belief of county school authorities that a deeper interest in educational work can be worked up through a meeting of this character than through an institute.

County Superintendent of Schools J. W. Moore will present the suggestion for such a gathering at the Leetonia meeting.

Agriculture is now being taught in the seventh and eighth grades of all rural schools, the state school laws providing that this study be followed the last half of the term. More than ordinary interest is being shown by many children in this study, although but one text book is used. The idea of the study is to give the children of the rural community a better idea

W. G. Fawcett Co.

of intensified farming methods so that farms can be made more productive.

In all rural schools, children are preparing examples of their work for exhibition purposes at the next county fair. Within the next few days the Columbiana County Agricultural Society will issue its premium list on this section of exhibits. Teachers in the rural schools propose to make the educational display larger this year than has been the custom. Ample space is to be provided by the Fair Board for exhibits from each of the 18 townships.

The School Masters club will meet in the Lutheran chapel at Leetonia Wednesday night. The speaker of the evening will be Rabbi I. E. Philo of Youngstown, who has been pronounced one of the greatest thinkers in this part of the state.

This meeting has been designated as "ladies' night" when all such principals and superintendents are expected to attend.

It is the opinion of County Superintendent Moore that over 10,000 educators from all parts of the United States will attend the annual meeting of the National Educational as-

## Back in the Days of the Washtub—

a housewife dreaded wash-day. Today it is different! The wise people of Salem send their soiled clothing and linen to a laundry, where it will be spotlessly cleaned. You will save time and money, by doing this—rather than hiring a woman to come to your home.

## The American Laundry

85-91 B-way. Phone 295

sociation which will meet in Cleveland next week, sessions opening Monday morning and closing the following Friday afternoon.

This is the largest educational meeting to be held in America. Many educators from this county will attend.

## STREET PAVING

(Continued from first page.)

There was a good enough foundation to allow Lincoln ave to be resurfaced with asphalt was brought up. The claim has been made that the concrete blocks with which the street is paved, have deteriorated to such an extent that it would not be advisable to just resurface it, but

that it would entail a saving for the city if the street were repaved entirely.

**Will Prepare Estimates**  
No action was taken on this question, the engineer and service director being requested to prepare estimates for both resurfacing and repaving.

Action on these improvements will be rushed through by city council providing the financial condition of the city will allow them. The finance committee of council was ordered to get a statement of the financial condition and the extent to which bonds could be issued for the proposed improvements and report to council at its next meeting.

It was explained that council desires to complete needed improve-

ments to all city streets but the question of providing proper fire protection must play a prominent part in the decision of the solons as to which streets will be improved first.

## You Big Stiff

**KNEE—Watch Your Finish**
